Stealth Air Cleaner Kits

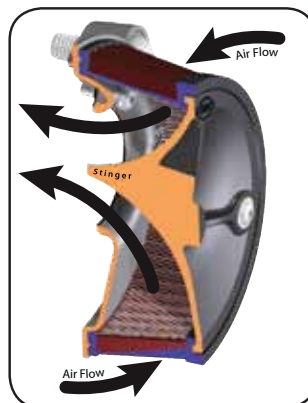

For Harley-Davidson® Big Twin and Sportster® Models

FITMENT

- 1936-2015 Harley-Davidson® big twin models
- 1957-2015 Harley-Davidson® Sportster® models

FEATURES AND BENEFITS

- For the rider who likes to go fast, but doesn't like to advertise
- Air directional stinger cone in the filter
- Use with your stock Harley-Davidson® Twin Cam 88®, 96™, 103™ air cleaner cover
- Can also be used with any of several S&S designed covers
- High flow (1" taller) filter kit available
- EFI applications exempt under CARB EO D-355-11

This built-in stinger cone is featured in all air cleaner kits, except the tuned induction system. It directs air smoothly into the bore of the carburetor or EFI throttle body for reduced turbulence and increased flow.
